News

August 2014 Edition

Dear Wisconsin Children's Safety Advocates:

In July 2014, the U.S. Consumer Product Safety Commission issued a total of **7 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month.

If you are interested in a complete text of the recall, double click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

- **Big Fireworks Recalls Mock Sword Fireworks Devices Due to Impact, Burn Hazards** ([14-224](#))
- **Cycling Sports Group Recalls GT Brand Mountain Bicycles Due to Crash, Injury Hazards** ([14-234](#))
- **Oeuf Recalls to Repair Cribs Due to Entrapment Hazard** ([14-236](#))
- **Dream On Me Recalls High Chairs Due to Strangulation and Fall Hazards** ([14-237](#))
- **East Coast Cycle Supply Recalls Trayl TRN Mountain Bikes Due to Crash Hazard; Sold Exclusively at Sports Authority** ([14-739](#))

KEEP YOUR KIDS SAFE

Release Number: (#14-224) American Eagle dba Big Fireworks, of Lansing, M.I., is announcing the voluntary recall of about 1040 Big Sword fireworks devices. The mock sword is a handheld fountain that is intended to emit sparks from the tip of the sword. The blue and yellow sword has the Big Fireworks logo and the words "Big Sword" printed on the front. A yellow cardboard tag attached to the handle of the device has "Big Sword" and a caution statement printed on it. The sword measures 30 inches and has model number 3609 printed above the product's barcode.

Problem: The handheld fountain device can unexpectedly explode, posing a risk of impact and burn to the user.

What to do: Consumers should immediately stop using the recalled fireworks devices and return them to the place of purchase to receive a full refund. You can contact Big Fireworks toll-free at (866) 514-6225 from 8:30 a.m. to 5 p.m. CT Monday through Friday or online at www.bigfireworks.com then click on the Recall tab at the bottom of the page for more information.

Release Number: (#14-234) Cycling Sports Group Inc., of Wilton, C.T., has announced the voluntary recall of about 120 in the U.S. and 32 in Canada, 2014 GT Fury Expert and 2014 GT Fury Team downhill mountain bicycles. The recalled Fury Expert model is blue with red and white accents. The recalled Fury Team model is black with lime green and blue accents. The

bicycles have front and rear disc brakes, rear shock absorbers and front suspension forks. "Fury" is printed on the top tube and the bottom of the chainstay, the GT logo is on the down tube and the top of the chainstay. The model names are printed in small letters on the top tube of the bicycles just above the word Fury.

Problem: The wheel hubs can break and cause the brake system to fail, posing crash and injury hazards to the consumer.

What to do: Consumers should immediately stop using the bicycles and return them to the nearest authorized GT dealer to have the complete front and rear wheels replaced free of charge. You can contact Cycling Sports Group at (800) 726-2453 from 9 a.m. to 6 p.m. ET Monday through Friday, email custserve@cyclingsportsgroup.com, or online at www.gtbicycles.com and click on Recalls under Recalls & Safety at the bottom of the page.

Release Number: (#14-236) Oeuf LLC, of Brooklyn, N.Y., announces the voluntary recalls about 14,000 Oeuf Sparrow cribs. The cribs were sold in the colors birch, grey, walnut and white. The recalled cribs were manufactured between July 2007 and January 2014 and have one of the following model numbers: 1SPCR, 2SPCR, 4SPCR or 5SPCR. The manufacture date, in the MM-YYYY format, and the model number are located on the warning label attached to the crib's mattress support.

Problem: The slats/spindles and top rail can detach from the cribs and pose an entrapment hazard to a child.

What to do: Consumers should immediately stop using the cribs and contact Oeuf to receive a free repair kit. You can contact Oeuf toll-free at (844) 653-8527 from 10 a.m. to 6 p.m. ET

Monday through Friday or online at www.oeufnyc.com and click on Sparrow Recall for more information.

Release Number: (#14-237) Dream On Me, of South Plainfield, N.J., announces the voluntary recall of about 2,800 Dream On Me Dinah high chairs made with a steel, powder coated tubing open-framed base with white plastic foot grips and black with white trim or red with white trim fabric seats. The chair has a white plastic tray, plastic footrest and a white fabric five point adjustable safety strap. "Dream On Me" is printed on a label attached to the front of the tray. There is a color-coordinated black and white or red and white fabric storage bin attached to the bottom of the chair legs. The high chair can be folded for storage.

Problem: The leg or side opening of the chair can allow a child's body to pass through and become entrapped at the neck or fall from the chair. This poses a strangulation and fall hazard to young children.

What to do: Consumers should immediately stop using the recalled high chairs and contact Dream On Me to receive a free repair kit. You can contact Dream On Me toll-free at (877) 201-4317 from 9 a.m. to 5 p.m. ET Monday through Thursday and 8 a.m. to 4 p.m. Friday or online at www.dreamonme.com and click on the Recalls tab for more information.

Release Number: (#14-739) East Coast Cycle Supply LLC, of Farmingdale, N.Y., is announcing the voluntary recall of about 1,800 Trayl TRN 29-inch hardtail mountain bikes. The bike has a black and green frame with a white front fork. The word Trayl is in white on the underside of the down tube and in green on the top side of the down tube. The Trayl logo appears as the "Y" in the word.

Problem: The brakes can fail to stop riders within the distances required by federal regulation, posing a crash hazard.

What to do: Consumers should immediately stop using the recalled bicycles and return them to Sports Authority for a free repair. East Coast Cycle Supply is contacting consumers directly. You can contact East Coast Cycle Supply toll-free at (844) 322-9253 from 9 a.m. to 5:30 p.m. ET Monday through Friday, email customerservice@eccyclesupply.com, or online at www.eccyclesupply.com and click on News at the top or bottom of the page for more information.

Release Number: (#14-239) Mayborn USA, Inc., is announcing the voluntary recall of about 25,000 in the U.S. and 3,500 in Canada two models of the Tommee Tippee Movement and Sound Baby Monitors with Sensor Pads. The product comes in three parts; the baby unit, parent unit and the movement sensor pad. The pad is white with a 10 foot cord that runs from the pad to the baby monitor unit. Both models come with a sensor pad that fits under the baby's crib mattress and sounds an alarm if no movement is detected for 20 seconds. There is a keypad and small screen above the keypad on both the baby unit and the parent unit. The recalled products include models 1082S and 1094S. Model 1094S includes a night-vision video camera. Model numbers are located on

the bottom of the base of the recharger and also on the bottom of the camera.

Problem: Child can pull sensor pad cord into crib and wrap around the neck, posing a strangulation hazard.

What to do: Consumers should immediately make sure all monitor cords are out of reach of the child and contact Mayborn USA for a free cord cover kit that includes rigid protective cord covers through which the sensor pad cords can be threaded, a new, permanent electric cord warning label about the strangulation risk, and revised instructions. You can contact Mayborn USA toll-free at (866) 214-1537 from 9 a.m. to 5 p.m. ET Monday through Friday, or online at <http://www.tommeetippee.us/> and click on "Safety Recall" at the lower center area to order the free cord cover kit and for more information.

Release Number: (#14-738) Roland Corporation of Los Angeles, C.A., announces the voluntary recall of about 640 Roland model RD-800 Electronic Digital Pianos. The recalled product is an electronic piano keyboard that is 55 inches wide, 14.5 inches deep and 5.5 inches high. It is black and has 88 black and white keys. The front of the piano has a control panel with a color liquid crystal display (LCD) in the center. **Problem:** The AC power cord can be connected to the XLR output jacks, posing an electrical shock hazard.

What to do: Consumers should immediately stop using the pianos, unplug the power cord from the wall outlet and the piano and contact Roland U.S. for a free repair kit or to locate an authorized dealer or service center to have the repair kit installed free of charge. You can contact Roland Corporation toll-free at (877) 339-5494 from 8:30 a.m. to 5 p.m. PT Monday through Friday or email rd800update@rolandus.com, or online at www.rolandus.com and click on "RD-800 Recall Notice" under Support at the bottom of the page for more information.

Release Number: (#14-245) Dynacraft BSC Inc., of American Canyon, C.A., is announcing the voluntary recall of about 3,100 20 inch Avigo Turn N Burn youth bicycles with model number 8107-62. The model number and date of manufacture, "08202013," are printed on a data label on the frame's seat tube. The bicycles have a silver frame, blue handlebars and black front fork with blue accents, hand brakes and a kickstand. The serial number can be found etched on the frame on the underside of the bottom bracket shell.

Problem: The front wheel on the bicycle can detach, posing a fall hazard.

What to do: Consumers should immediately stop using the recalled bicycle and contact Dynacraft to arrange for a free repair. You can contact Dynacraft at (800) 551-0032 from 7 a.m. to 4 p.m. PT Monday through Friday or online at www.dynacraftbike.com and click on "Owners," then select "Warnings/Recalls."
